

TEMPLE BETH EL 2022-23 VOLUNTARY FINANCIAL COMMITMENT FORM

Family Last Name(s): _____

According to tradition, it is customary for Jews to annually contribute ½ shekel for the upkeep and maintenance of the Temple. The Sustaining Voluntary Financial Commitment Level for each adult member of the household, as determined by the Board of Directors for fiscal year 2022-2023, is \$1,575. There is no financial commitment required for children of adult members: minors; dependents ages 18-26 and living in the same household; or age 18-26 year-olds enrolled in a higher education program or serving in the military. Understanding that not all members can make a commitment at the sustaining level, please consider an amount you are comfortable with. All commitments are valued, and none is too small. We thank those members who contribute above the Sustaining VFC Level every year.

Below, please list each adult family member's first and last name with his/her individual financial commitment. On the reverse side, kindly list ALL family members, including children, as defined above.
